Pricing

Pre-Consultation 10 Minute Phone Appointment: A chance for those from out of town to talk to a physician by phone before traveling to the area. If you become a patient, the price of this pre-consultation is deducted from your first consultation, making it free. \$35 or Free!

Standard First Acupuncture Visit: First visit - *75 minute* consultation and treatment with a physician \$95

- Dr. Lee works one-on-one with patients to achieve optimal health. The comprehensive initial consultation covers medical history, current symptoms, diet, lifestyle, medications, supplements, and future goals. Individualized recommendations and treatment protocol are created for the unique circumstances surrounding each case.

Standard Follow-up Acupuncture Visit: Second or later visit - *60 minute* consultation and treatment with a physician \$75

- After the initial consultation, patients continue to work with Dr. Lee during follow-up visits of approximately 60 minutes. The frequency of subsequent appointments depends on individual health needs and the pace of progress. Once health is restored, Dr. Lee usually sees patients yearly for an annual “tune-up.”

Special Offer: *Dr. Lee offers five acupuncture visits for \$360*

First Facial Acupuncture Visit: First visit - *75 minute* consultation and treatment with a physician \$135

Follow-up Facial Acupuncture Visit: Second or later visit - *60 minute* consultation and treatment with a physician \$110

Special Offer: *10 facial acupuncture visits for \$1000.*

Students receive 25% off on appointments except for special offers. Must have a valid Student ID.

Your cost will be determined by the length of your consultation. You are never under any obligation to buy anything you don't want. Family discounts apply to members of the same household. Referral discount program available.
